

## Nearest Statments to Centroids

```
public class BootReceiver extends BroadcastReceiver {  
import ch . xonix . mensa . unibe . model . Mensa ;  
*  
public abstract class AbstractInvitationsFragment extends Fragment {  
return container ;  
import java . util . ArrayList ;  
public class CriteriaMatcher {  
/ * *  
protected void onCreate ( Bundle savedInstanceState ) {  
public void onDestroy ( ) {  
android . R . layout . simple _ list _ item _ 1 ) ;  
container = new ArrayList < Criteria > ( ) ;  
crit . setCriteriaName ( criteria ) ;
```
